

### Easy to Set Up

Installation of our Computer Back Up is quick, easy and takes less than 5 minutes. Backs up automatically, and operates in the background.

### Secure

Online Computer Back Up data is secured, using the most advanced encryption, before it leaves your PC.

### Low Price

Our automatic online computer back up system is a minimum investment of only \$9.95! This includes setup, and installation. You get 2 GB of storage space online, if you require more space, additional storage space costs \$1 per GB. Keep in mind that your data is priceless!

### Ideal for Home and Business

You can backup your entire office if you wish! Using our fully automatic online computer back up there is no need to hire a costly on site technician and you do not need to buy expensive tape drives or hardware.

### Fast Retrieval

Takes a matter of seconds to restore your lost files! When you subscribe to our computer back up, you can access your backups from anywhere in the world 24 hours a day and 7 days a week - All year round.
